& Compliance

Usability and Features

- **Our 40ft Reefer Shipping Containers**

Maintain precise temperatures (-20°F to 70°F) for perishable goods.
Perfect for temperature-sensitive cargo.

- **Insulation**

Well-insulated to minimize heat transfer and ensure consistent temperature maintenance.

- **Power Supply**

Requires a power source for refrigeration operation, either through ship power or onboard generators.

- **Monitoring and Control**

Advanced systems for real-time monitoring of temperature and humidity, with alarms for deviations.

- **Load Capacity**

Can accommodate a significant amount of cargo due to its 40ft length, providing flexibility for various shipping needs.

- **Compliance and Certification**

Meets international standards for transporting perishable goods, ensuring temperature integrity.

Dimensions (ft/m)
