Usability and Features

- **Dual Access**

Equipped with doors on both ends, allowing convenient loading and unloading from either side.

- **Durable Construction**

Made from 14-gauge high-strength corrugated steel, ensuring longevity and resistance to external factors.

- **Marine-Grade Flooring**

Features a 27mm thick marine-grade plywood floor, resistant to moisture and mechanical damage.

- **Weather and Pest Protection**

The container is sealed against water, wind, and rodents, ensuring the safety of its contents.

- **Additional Ventilation and Lashing Points**

Includes multiple air vents and lashing points for secure cargo fastening.

- **Security**

Comes with a built-in lockbox to prevent unauthorized access.
